

Catered Luncheon

Please join us on *Sunday, September 13th* as we show our appreciation to the many gifted and spiritual teachers we have in our congregation.

There will be a catered luncheon immediately following the 10:45 service for the *entire congregation* in honor of the teachers of the Church.

We appreciate all of the time, dedication, and enthusiasm that are put into leading both children and adult Sunday School classes and Wednesday night activities.

God Bless,
Christian Education Committee
