*(Monthly Financial Report available

How many children over the years have had their first introduction to Christ and the Church through Vacation Bible School? While no fully accurate statistics are available, some reliable records indicate that over 10% of the children that attend Bible School come from unchurched homes. When you consider for a moment that these little lives represent parents and brothers and sisters who are also likely to be unchurched, the importance of Vacation Bible School as an avenue to reach out to the community becomes all the more obvious.

This week, be in prayer for the children, and the terrific volunteer workers who will be sharing the love of Christ with these little ones.

Sunday, we will be commissioning our Texas mission team with prayer. They will be spending a week helping to build a new church building for a Disciples congregation.
